Good evening, everyone,

You have been included in the routing list for the Pride of the West – Notice of Federal Lien, which consists of two documents for review: the Notice of Federal Lien and a letter notifying the property owner that EPA has perfected a federal lien. According to the delegations manual, Chris Thompson is the signing authority. I have attached a copy of the documents here for your reference, but you should receive an email within the next couple of days notifying you that formal routing has begun.

Thank you!

Respectfully,

Marissa Garcia
